THE
PRESIDENT'S
CORNER

Bill Williams

Our exhibit at the Bluefield WV Coal Show was a tremendous success. A conservatively estimated 2000 people visited our booth during the three days. My sincerest thanks to Frank Hancock and Fred Duff who arranged for our free booth. Also, to C W Hall, C F Colley, H Skaggs, E Maples, R Craigo and W Caldwell who helped me man the booth. A B Coleman also came by and spent half a day with me. We enrolled five

new members: L R Brooks, E Conley, J R Crotta, B Maxwell and H W Meador.

The mini-meeting at Chattanooga went real well. Twenty five people attended including eleven members and two new members: T M Armstrong of Chattanooga and D R Megill of Ball Ground, Georgia. My only disappointment was that none of the Alabama members made the meeting.

The Fall meeting at Cumberland Gap, Tennessee was one of the best we have had. Each meeting seems to get bigger and better. This makes it hard to see how the next one can be as successful but it continues to be. This demonstrates the high level of interest which continues to develop in our hobby.

Crawford Blakeman and his associates really did an outstanding job arranging for the facilities and promoting the meeting. More than 50 members and wives attended the Friday dinner and auction. On Saturday an estimated 110 members, wives and visitors came thru the show room. Of these, 48 were members.

An analysis of the register showed 19 members from Kentucky, 9 each from Tennessee and West Virginia, 4 from Ohio, 3 from Virginia and 1 each from Alabama, Florida, Maryland and Pennsylvania. Several members drove 10 or 11 hours to get there but it was conceded that Pat Heckard of Alachua, Florida came the furthest.

A report of the Executive Committee and General meetings will appear in Scrip Talk but some of the highlights were: The Scrip Auction Friday evening where NSCA's share of the proceeds exceeded \$200. which paid most of the expenses of the meeting and again removed the necessity of having to have a registration fee or a table use charge.

Emphasis is being placed strongly on recruiting new members. We must continue to grow as rapidly as possible. To encourage new members we continue to give each member an Edkins Catalog for each five new members signed up. Remember you can get a carry-over credit on last year's signees also.

Another incentive is an Edkins Catalog and a membership through 1980 for \$16.00 total. The former cost was \$25.00.

The other incentive is competition for the membership trophy which will be awarded at the May meeting to the member who has enrolled the most new members during the past year.

Discussion was held on the number of Edkins Catalogs on hand. We printed 1000 and still have approximately 400. We need to move these as rapidly as possible. To assist in selling them, we have reduced the price to \$13.00 for members. A lower price will be made to those members who purchase twelve or more books. The loose leaf version of the book has been reduced to \$10.00. Send your orders to Walter Caldwell.

I am off on a month's trip to East Texas for my mother's 89th birthday and my 40 year class reunion. I expect to visit with members in Mississippi, Louisiana and Texas enroute to and from.

One final note. A hearty welcome to all of the new members listed above and to all the others who have joined NSCA through the efforts of other members. We hope you will become active participants in our organization and that you will enjoy our hobby as much as we do. And a reminder to all members -- Please everybody let's get more new members. Charlie Rogers, our membership chairman, needs all of the help he can get from each of you !!

MEMBERSHIP CONTEST SCOREBOARD

Welcome the following new members who have signed since the last issue... Name in (parens) receives contest credit !

The top recruiter by Spring 1980 meeting wins the large membership trophy... Unofficial standings to date are shown below.

YOU can be a winner !!

- 625. H. W. Meador, Westmoreland Coal Co., Big Stone Gap, Va. 24219 (W. Williams)
- 626. Basil Maxwell, Box 18, McNutt Ave., Princeton, W.Va. 24740 (W. Williams)
- 627. John R. Crotts, Rt. 1, Box 409, Bluefield, W.Va. 24701 (E. Maples)
- 628. Emerson Conley, Rt. 2, Box 63, Bluefield, W.Va. 24701 (W. Williams)
- 629. Lee R. Brooks, 2113 Hemlock Hill, Bluefield, W.Va. 24701 (C. Colley)
- 630. D. R. Sears, 918 Woodall Lane NW, Huntsville, Ala. 35805 (R. Tippy)
- 631. Thomas M. Armstrong, 1501 Akins Drive, Chattanooga, Tenn. 37411 (D. Mullins)
- 632. Donald R. Megill, Rt. 3, Box 94-A, Ballground, Ga. 30107 (W. Williams)
- 633. Rev. Wesley Grose, 411 So. Pike St., Beckley, W.Va. 25801 (Dr. C Evans)
- 634. Noel T. Smith, 102 68th St., Darien, Illinois 60559 (H. Smith)
- 635. James P. Bullock, 209 Beale St., Cumberland, Ky. 40823 (D. Crotty)
- 636. Fred M. Seale, Horton St., Harlan, Ky. 40831 (P. Jensen)
- 637. Spencer A. Waters, 512 Coffee St., Moulton, Ala. 35650 (A. Dunning)
- 638. Thomas H. Burns, Box 163, Man, W.Va. 25635
- 639. Elijah Singley, 2279 E. Ash St., Springfield, Illinois 62703 (R. Tippy)
- 640. Paul E. Simpson, 503 Kentucky, Beaver Dam, Ky. 42320 (W. Williams)

Unofficial Contest Standings (10/23/79)

President Bill Williams - 9 new members (not eligible in contest) - 1st Place - Claude Travis, Jr. 5 members; Second - R. R. Tippy 4 new members; Third (tie) - C. F. Colley, Darrell Crotty and Paul Jensen 3 new members; Fourth (tie) - Elwood Maples and Dave Mullins 2 new members....

Note: Please advise the Secretary when you sign 5 members - counting back one year so that your FREE Edkins catalog can be mailed to you !!

I show the following with
1 new member each:

A. Dunning, H. Smith,
C. Evans, B. Cheuvront,
S. Ruggeri, Tom Wall,
D. Bumgardner, Stan-
field, Lee, Hogan,
McWhorter, Varnum..

Officers Seize Counterfeit Scrip

WINDING GULF COAL COMPANY FRAUD VICTIM

**William Winneberger and
Charles Poteat to Have
Trials Tomorrow; Po-
lice Seek Machine Mak-
ing It**

State police asked yesterday that residents of this section be on the lookout for counterfeit Winding Gulf Collieries company five dollar scrip pieces as they continued their search for machinery used in making pieces located last week.

They arrested two Winding Gulf miners and are holding them in jail charged with making and passing counterfeit scrip on the coal company. Although the exact time for hearings hasn't been set, Magistrate Frank Lemon said William Claude Winneberger and Charles Poteat will be tried Monday.

Paid Account

The warrant against Winneberger said he used the scrip at the Lywin Hill store of the Winding Gulf company to pay an account. The one against Poteat said he gave it to a clerk at the amusement hall for furniture, auto polish, and other property.

Both men were arrested Friday at their home. They were asleep when police arrived.

State police said the five dollar scrip appeared genuine but had a few minor defects. The pieces are of white metal and break easily if bent.

It was learned the men were flashing the "money" at the amusement hall and one of them twisted a piece which broke in two. Officials became suspicious and asked police to make an investigation.

Both miners admitted passing the money but didn't reveal whether they knew it was counterfeit.

TID-BITS AS TIME AND SPACE PERMITS.... To the left is a reprint from the Beckley WV Sunday Register of March 13, 1938.. 41 years ago...Any collector ever see any of these pieces?? ...The Cumberland Gap, Tennessee meeting was a good one.. Crawford Blakeman and the others really had a nice event in cooperation with the Holiday Inn... Several collectors noted that they had picked up many new tokens... One collector purchased a collection of about 2,000 pieces... If you have never attended one of the semi-annual meetings, you are missing a wonderful opportunity to acquire items for your collection as well as associating with a fine bunch of folks... You cannot attend a meeting without learning much, much about tokens and collecting... So, make your plans now for the first week-end in May of 1980 for Beckley, W.Va... It will be either the Holiday Inn or the Ramada Inn (side by side)... The mini-auction being held on Fridays at the semi-annual meetings has become a very popular event and the profits have paid for the expenses of the meetings... Scriptor Jensen has uncovered a wonderful new set: "Pool & Scothern". The mine was started in 1917 at Standard, Maryland (near Vindex, Md.). The mine operated only until 1918. Only two sets are known at this point... Incidentally, if you have not forwarded your unlisted pieces to Don Edkins, please do so at once... Send your material - by registered mail - or UPS to: Don Edkins, 488 Second St., Framingham, Mass. 01701... ...Any collector got any information on a "Pine Hill Coal Co./- C. Crooke & Co. 5¢ brass token? The reverse has the J. Dorman Balto seated liberty die.... Still haven't heard anything more on the proposed scrip article in the national "Americana" magazine published in N.Y. The company notified Bill Blizzard that his article and pictures (taken at Fairmont WV meeting) had been accepted and would be used...Haven't had any late info on the present health of Scriptor Charles Ross. Last word was that he was in poor health at WVU Hospital in Morgantown... Charles was one of our founders...Scriptor Dick Sears of Huntsville, Ala. noted that he searched for years for info on scrip collecting - asked dealers at all coin shows and noone ever heard of us until a recent show at Knoxville... Shows that we still have a lot of work to do in making coin dealers and other collectors aware of NSCA... Are you using the brochures in YOUR mail to all other collectors that you contact?? ...We need attitional material for the bulletin.. The best article by May 1980 wins a large trophy so let us hear from you.... More later...

TID-BITS ON TOKEN COLLECTING :: (As noted from the special
program presented by Dave Schenkman at the Fall 1979 NSCA meeting)

The hobby of collecting coal tokens is relatively new when compared to tokens in general. Token collectors as such have been known for over one hundred years while coal token collecting has developed extensively only in the past fifteen years or so...

The earliest United States tokens are the "hard times" tokens which date back to about 1830. Many of them are available today at retail prices in the \$2 to \$3 range... Approximately 10,000 varieties of "Civil War" tokens have been recorded with recent top selling price in the \$1,000. range for rare or unique pieces... A recent 3¢ "hard times" token was sold for \$3,000.00 and a "Civil War" token recently sold for \$1,900.00 in an auction. Large numbers of "Civil War" tokens are available for collectors today in the \$5.00 range. In comparison, the average coal token starting price today is in the \$1.00 range...

Coal tokens are genuine (except for a very, very minor exceptions) and actually have seen use at coal mine locations in some instances replacing the "coin of the realm". In many, many instances "hard times" and "Civil War" tokens have been struck especially for collectors in times past...

As to composition of tokens, it is not true that aluminum tokens are of recent vintage. Aluminum tokens date back at least 80 years having been very popular in the 1880's. Bi-metal tokens date back to about 1899, the first having been patented by S. H. Childs in Chicago with the company later being known as Greenduck and Company. Bi-metal was probably introduced to lessen the chance of tokens being counterfeited. Meyer and Wenthe and Ingle both have struck bi-metal tokens in the past...

Hard rubber tokens date back to the period of 1860 to 1880. With the introduction of rubber for bicycle tires at the end of this period, the cost made it too expensive to be used for token manufacture... Very few coal tokens were made of hard rubber...

Fiber tokens were made by many companies during the World War II period due to the shortage of metal for manufacture... Some fiber tokens, however, do date back many years before World War II... Celluloid was also extensively used for the manufacture of tokens...

It is important that all coal token members include historical information on the tokens with their collections and that information of this nature be submitted for publication in the organization bulletin "Scrip Talk".

.....

VIRGINIA TOKEN COLLECTORS MEET

During the Virginia Numismatic Annual Meeting and Show, held at Natural Bridge, Va., the Virginia Token Collectors met on September 15th.

Nineteen interested collectors attended, nine of whom are members of N.S.C.A.. Steps are being taken to hold two meetings a year. One coincidental with the VNA annual meeting; the other meeting place will be in Charlottesville, Va., in March. Efforts will be made to reactivate Virginia TAMS.

Col. A. Cottle

SPOTLIGHT ON TOKENS II

A NEW FEATURE
FOR "SCRIP TALK"

Gordon Dodrill
441 Smithfield St.
Pittsburgh, Pa 15222

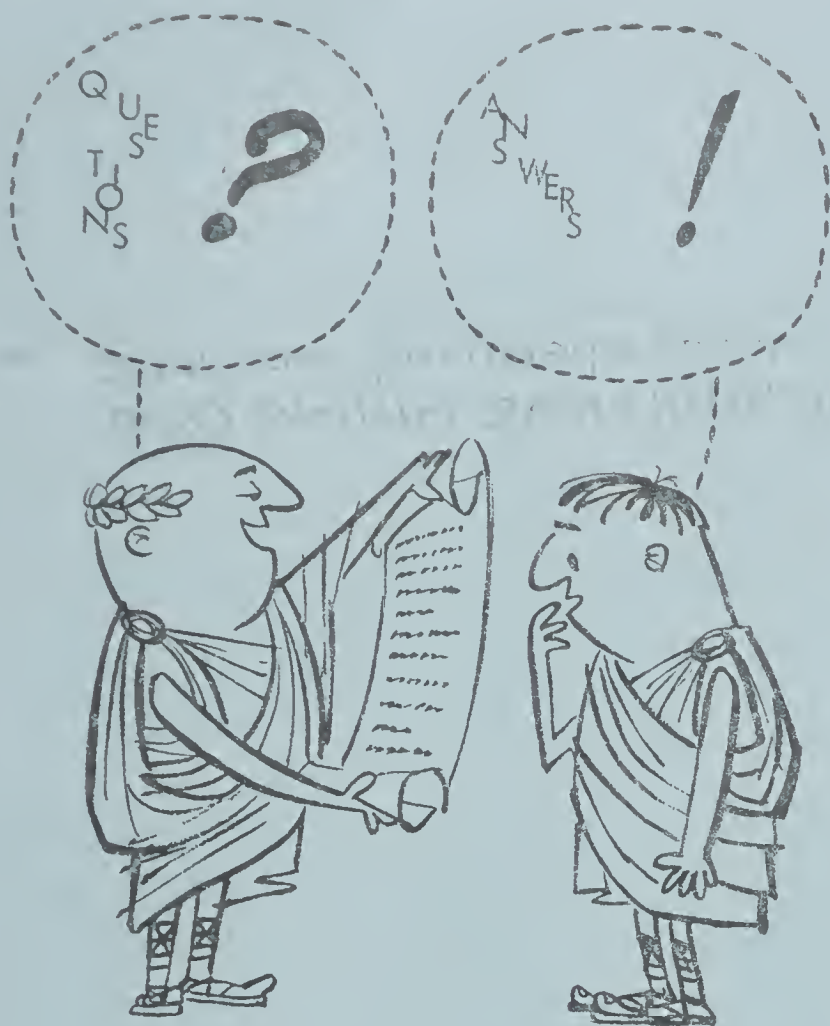

1922 BOWLING COAL MINING CO., Bardo, Ky. - Harlan County.
Henry S. Bowling of Knoxville, Tenn. started this mine in 1922 and the same year founded the Bardo Supply Co. with Rufus A. Bowling as the store manager. 85 employees mined the coal until 1926, when Mr. Bowling sold to D.C. Campbell who founded the Bardo Coal Mining Co.

BOOTH SUPPLY CO., Booth, W.Va. - Monongalia County.
T.R. Evans purchased the North Fairmont Coal Co. property about 6 miles west of Morgantown, W.Va. in 1921 and re-named it the RIVERSEAM COAL CO. This mine operated from 1921 until 1948 employing 300 miners. Andrew Miller was purchasing agent and manager of the Booth Supply Co. All properties went to the Christopher Coal Co. in 1948, and Frank Christopher sold the same year to the Consolidation Coal Company.

BOISSEVAIN SUPPLY CO., Inc., Boissevain, Va. - Tazewell County, was the company store for the POCAHONTAS FUEL CO. from 1922 until 1931 serving 400 at the Boissevain mine. Isaac T. Mann, the coal baron from Bramwell, Va. was the president in the early years of this company who operated 12 mines in Virginia and West Virginia from 1919 until 1957 with 5,200 employees. A total of six company stores served the 12 coal mines.

SHALLMAR SUPPLY CO., Shallmar, Md. - Garrett County.
W.A. Marshall of New York City started the WOLF DEN COAL CO. Inc. in 1917, but the Shallmar Supply Co. was

owned by W.A. Marshall operated until 1939
with 150 employees.

THE EXECUTIVE COMMITTEE of the NATIONAL SCRIP COLLECTORS ASSOCIATION met at the Holiday Inn, Cumberland Gap, Tennessee on Friday, OCTOBER 5, 1979, at 4:30 p.m. President W. E. Williams ascertained the presence of a quorum for the transaction of business. Those present were W. E. Williams, President; Vice-Presidents C. F. Colley, Crawford Blakeman, Charles Rogers; Secretary-Treasurer Walter Caldwell and Past President R. R. Tippy.

A discussion was held on the Edkins Catalog book inventory and the need to sell additional copies of the book. Following proper motion, it was voted to offer a special limited incentive for new members as follows: A one year membership and a copy of the Edkins Catalog for \$16.00 (a savings of \$4.00) - The Edkins catalog to present members for: \$13.00 for the hard bound - \$10.00 for the loose-leaf type. Postage of \$1.00 is to be added to each order if to be mailed.

Following proper motion, it was voted to transfer from the General Fund to the Book Committee Fund a sum of \$5.00 for each Edkins catalog awarded as membership prizes. Any member signing 5 new members is to be given a FREE copy of the Edkins Catalog.

President W. E. Williams presented a report on his display and attendance at the Bluefield (W.Va.) Coal Show on Sept. 13-15, 1979. In cooperation with the Chamber of Commerce a free booth was given to NSCA for display of scrip and for swaps and deals on scrip. Many hundreds of NSCA brochures were distributed and five new members were signed. In addition, several copies of the Dodrill and Edkins Catalog were sold. It was noted that the Chamber of Commerce would consider giving NSCA a \$100.00 grant for next year to be used as a prize in connection with the scrip display. It was noted that many people were attracted to the coal show as a result of the publicity in area news media on the scrip display. Following proper motion, the Treasurer was authorized to pay the motel room expense of President Williams in the amount of \$82.40.

A discussion was held on the Group Insurance proposal for NSCA members with no official action being taken pending additional information and possible cost.

Following proper motion, President Williams was authorized to spend \$50.00 for information on incorporation of NSCA as a non-profit corporation. Additional information will be presented as available. It was noted that the recent membership survey indicated that over 50% of the membership was interested in a group plan for insurance on their token collections.

Following proper motion, Vice-President Blakeman was authorized to proceed with plans for the Spring 1980 meeting at Beckley, W.Va., on the first weekend in May. Additional info will be presented in the "Scrip Talk" bulletin.

President Williams was authorized to investigate the possibility of tokens for NSCA meetings for members who attend with extras to be offered for sale in the bulletin.

Secretary Walter Caldwell presented a list of 142 non-renewing members with only 22 having failed to renew for the 1978 year. It was noted that the present paid membership is 410.

There being no additional business, the meeting was adjourned.

W. E. Williams, President

Walter Caldwell, Secretary

+++++
The Fall 1979 meeting of the NATIONAL SCRIP COLLECTORS ASSOCIATION was held on SATURDAY, OCTOBER 6, 1979, at 1:00 p.m., at the Holiday Inn, Cumber-

Minutes - Fall 1979 (Continued)

land Gap, Tennessee. President W. E. Williams ascertained the presence of a quorum for the transaction of business.

President Williams noted that attendance was approximately 100 with Pat Heckhard of Florida and Dave Schenkman of Maryland having traveled the greatest distance - each about 600 miles. Each member present stood for introduction.

Reports were presented by Fred Lange on FREE ADS - Tom Hitt on Questions and Answers - and Charles Rogers on Membership. A FREE Edkins was presented to new member Claude Travis for having signed five additional new members. Announcement was made of the limited offer of a one year membership and an Edkins book for \$16. for new members. Too, a large trophy will be presented at the Spring 1980 meeting to the member having signed the most new members during the year. Walter Caldwell presented the Treasurer's Report indicating that the balance in the General Fund was \$1873.64. It was noted that \$208.50 was the profit realized from the mini-auction held following the dutch dinner on Friday evening at the Holiday Inn.

A special plea was made to all members present to send their unlisted items to Don Edkins so that they can be included in the new edition of the book. Any member unable to forward his tokens was requested to contact President Williams so that special arrangements can be worked out with Mr. Edkins. It was noted that the success of the new edition will depend on the cooperation of ALL the membership in sending unlisted items for cataloging.

President Williams advised that member Dr. Orrahood is developing a computer program in connection with his personal scrip collection. It was indicated that Dr. Orrahood would present a program at an NSCA meeting on this project as soon as it is perfected.

President Williams indicated the need for a Public Relations committee and requested help from all members present in securing some member to handle the duties of this committee.

Vice-President Crawford Blakeman indicated that plans are being made to have the Spring 1980 meeting in Beckley, W.Va. - the location to be announced as soon as arrangements are complete.

All members were reminded to contact the Secretary with information on any deceased member. It was noted that Charles Ross of Spencer, W.Va. was ill as was Raymond Cole of Williamson, W.Va. Special recognition was given to James R. Cooper of Middlesboro, Ky., one of the original founders of NSCA.

Dave Schenkman presented a special informative program on tokens in general and a special report on his presentation will be included in the next bulletin.

There being no additional business, the meeting adjourned at 2:05 p.m.

W. E. Williams, President

Walter Caldwell, Secretary

SALE COMMENTS: A HOST OF FINE COLLECTORS MISSED A LOT OF FINE TOKENS IN THE LAST SALE.... HOW ABOUT LOT 82 ? HOW MANY OF YOU HAVE THESE MASTELLER COAL CO., KEYSER, W.VA. ITEMS ?? TOO, DID YOU OVERLOOK THE FLAT TOP POCAHONTAS (HERNDON, W.VA.) TOKEN IN LOT NO. 49 - THIS TOKEN ALONE WAS WORTH THE GOING PRICE OF THE ENTIRE LOT OF 35 TOKENS AT ONLY \$38.10. BETTER CHECK CAREFULLY EACH LOT IN THE NEW SALE WHICH CLOSSES ON DECEMBER 7, 1979.... REMEMBER, THE EARLIEST POSTMARK GETS THE LOT IN EVENT OF TIE BIDS.... AND, THERE WERE SEVERAL IN THE LAST SALE !!

A COMMENT OR TWO WAS RECEIVED ON THE MINIMUM BID OF 75¢ PER TOKEN... THIS APPLIES TO EACH COAL TOKEN IN THE SALE, THUS, A FIVE PIECE SET WILL HAVE A MINIMUM BID OF \$3.75 . THIS MINIMUM DOES NOT APPLY TO OTHER TOKENS THAT MIGHT BE LISTED, FOR EXAMPLE, TRANSPORTATION, SALES TAX ETC. THESE ODD TOKENS ARE INCLUDED IN COLLECTIONS THAT ARE ASSIGNED TO US AND WE MUST MOVE THEM - ALONG WITH THE COAL TOKENS - AT ANY PRICE WE CAN GET SINCE WE DO NOT SPECIALIZE IN ITEMS OUT OF THE COAL AND LUMBER FIELD....

ANOTHER BIDDER COMMENTED ON THE LISTING OF TOKENS BESIDES COAL AND LUMBER... IN ADDITION TO THE COMMENTS IN THE PREVIOUS PARAGRAPH WHICH WOULD ANSWER HIS QUESTION, THE ADDITIONAL COMMENT IS THAT MOST (IF NOT ALL) OF THE COAL AND LUMBER COLLECTORS COLLECT ITEMS IN ADDITION TO COAL AND LUMBER. MANY, I KNOW, COLLECT STORE TOKENS OR MERCHANT TOKENS OR WHATEVER YOU CARE TO CALL THEM... THUS, WE TRY TO HAVE A VARIETY OF ITEMS TO OFFER IN EACH SALE...

BACK ISSUES OF SCRIP TALK: MANY OF THE NEWER MEMBERS HAVE REQUESTED BACK ISSUES OF THE BULLETIN... UNFORTUNATELY, WE HAVE ONLY ONE FILE COPY OF EACH ISSUE... FOR THE NEWER MEMBERS, WHY NOT RUN A FREE AD IN THE BULLETIN REQUESTING BACK ISSUES... FOR THE OLDER MEMBERS, IF YOU ARE WILLING TO PART WITH YOUR BACK ISSUES, WHY NOT RUN A FREE AD ADVISING THE NUMBER AVAILABLE AND THE PRICE WANTED... I AM SURE THAT YOU CAN FIND A BUYER... REMEMBER, THE FREE ADS ARE FOR YOUR USE AND THE ADS ARE NOT LIMITED TO COAL AND LUMBER TOKENS...

80. A SPECIAL SELECTION OF 100 ALL DIFF. COAL TOKENS - INCLUDES 3 - \$5 TOKENS!! NOT junk but a good starter collection - Fort Branch, Ruth Elkhorn, Dry Branch, Detroit Mining, Edna Gas, Kanawha & Hocking, Royal Jellico to mention some names.... THE PRESIDENT'S CORNER

(This is your President, sitting in his corner looking at his Texas Long Leaf Lbr. Co token and saying "!!?X!Z!!? (remainder deleted)". He finally did it. He fooled around and missed Walter's deadline. However, since he had prepared a special end-of-year message, he decided to print it as a special supplement to SCRIP TALK and mail it at his own expense, after XMAS. Please add it to your file copy of Vol. 7 No. 68)

Traditionally, this is the season to reflect on pleasantries for good friends. Since I feel that each of you is a good friend even though I may not have had the chance to meet you, this is my wish for each of you and your loved ones the very best of happiness, health and fortune during the Holiday Season and the Year To Come.

Xmas is the time one yearns for hard to obtain items, and New Year's is the time for making resolutions. So, I have tried combining the two in the following list:

1. I want a member to volunteer to do a Public Relations-type job for me and NSCA. Writing skills and an inquisitive mind is desirable. Will not involve the preparation of routine news releases.
2. I wish for several members to write short articles about lumber tokens. We have quite a few lumber collectors, including me, and each of us who can do so needs to contribute an article or two in order to create and maintain interest levels.
3. I would hope that we could add at least 100 new members between now and the May meeting. If every member did just a little bit, we could make it. Such action would make a nice post-Xmas present to someone. I am certain Charlie Rogers will be very grateful to each of you.
4. Several large collectors still have not made their unlisted pieces available to Don Adkins. One of my New Year's resolutions is to aid in every possible manner to get them recorded.
5. Since NSCA now covers scrip used by all mining and all manufacturing companies, I have visions of a half-page each issue listing scrip from companies other than coal or lumber. Who will help?
6. I am enough of a dreamer to believe that each member has the ability to make a significant contribution to the success of NSCA. Each of us can take pride in our contributions, large or small, because it takes the combined efforts of all of us for NSCA to be successful. There are many things you as a member could do to promote the effectiveness and interest of NSCA. I wish for participation from each of you. If you want to know how you can help, write me for suggestion.
7. My apologies to all NSCA members who I missed during my travels the past eight months. I hope I can make contact with you next time I get into your area. And to those I did see, many thanks for your helpfulness.

My recent trip back home to New Willard, Texas was programmed as a personal vacation trip for my 40th class reunion at Rice, a birthday party for my 89 year old mother, and maintenance and repairs on the old homestead. I did get in a little scrip visiting, however.

On the way down I visited Louis Crawford in Jackson, Miss., Ralph Law in Monroe, La., and squared my debt with D. Drell in Alexandria, La.

In Tyler, Texas during breakfast with Robert Fleet I learned about the Fall meeting of the Texas Trade Token collectors. I had been fortunate to attend and enjoyed their June meeting so much that I stayed over and attended. John Ribbe, College Station was the host. Other NSCA members attending were Jim Ruhland, Vidor; Leo Warren, San Antonio; Bill Fowler, Austin; Russ Paul, Crockett; Bob Fleet, Tyler and John Byars and Dick Worthington from Houston. Five non-NSCA members also were there. I did not get much scrip this time, but I really did enjoy the company.

On the way back, I talked with new member Glyn Farber in Lake Charles, La. He is preparing a listing of La. tokens. Hopefully Glyn and Louis Crawford will get together on a combined La. and Miss. catalog.

I stopped in New Orleans to show my younger son, Mike, who was on a month's leave from the Navy, some of the sights. While there I visited with Robert B. Williams. Bob is from PA and is a geologist with a major oil company. He collects PA scrip and mining artifacts. He lives in Gretna, La.

Since Mike had romantic interest in Oak Ridge who he had not seen for more than a year, we did not do any more scrip visiting the rest of the way.

In view of the fast changes we have been making for the site of the May meeting, i.e. Beckley - Bluefield - Beckley, I feel certain you are wondering what's going on. A word of explanation - . The Executive Committee originally approved Beckley as the site and announced it at the Oct. meeting.

However, the motel management at Beckley would not even give us a tentative commitment until after Nov. 15. Since we did not want to be on the limb, we asked Fred Duff to see if he could get a commitment in Bluefield. He did, and we announced it in a brief notation in SCRIP TALK Vol. 7 Issue 67, January 1980, mailed November 1979.

In the meantime, Harold Snodgrass and Doc Evans got the Holiday Inn in Beckley to guarantee us space for May 2 and 3, 1980.

After a lot of soul searching, we agreed to ask Fred to cancel at Bluefield and to go back to Beckley. The principal reason for the last change was Beckley was the site approved originally by the Executive Committee.

Our apologies for any confusion we created, and our sincerest thanks to Fred Duff for stepping in and helping us.

When you make your reservations at Beckley, please be certain to tell them that you will be with the NSCA group.

Crawford Blakeman, who is site selection Vice President, is looking for proposals for the October 1980 meeting and for May 1981. Send your suggestions to him at Box 536, Middlesboro, Ky., 48965

Best Wishes for Happy Scrip Hunting

Bill Williams

Your President who hopes to get out of the corner by the next issue.
(If he can get Walter to let him in on the deadline date?)

(All errors of any kind herein are the soul and complete responsibility of the President who did it himself.)
